An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Satoru Takeuchi on April 6, 2004.

The application has been amended as follows:

Claim 1, line 3, -- one-piece -- has been inserted before "housing"; line 6, -- pre-formed -- has been inserted before "terminals"; line 9, -- from the rear -- has been inserted after "inserted".

The following is an examiner's statement of reasons for allowance: none of the prior art of record discloses or teaches a one-piece housing with pre-formed (i.e. not bent to final shape after insertion) terminals inserted from the rear into the housing openings, in combination with the rest of the subject matter of the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary F Paumen whose telephone number is 571-272-2013. The examiner can normally be reached on Monday-Thursday.
